

Introduction to the Wisconsin Commercial Building Code

presented by
The Wisconsin Department of Commerce

2009
July 8th – November 4th

The Wisconsin Commercial Building Code is comprised of specific adopted International Code Council documents as amended by administrative rule. The focus of this course is to prepare candidates for challenging the Wisconsin Commercial Building Inspector credential exam and the administration of the Wisconsin Commercial Building Code.

The sixteen week course will meet one day per week every Wednesday.

The course will run from 9 a.m. until 3 p.m. with a break for lunch.

The course will be held at the Fitchburg City Hall 5520 Lacy Road.

The cost for this sixteen week comprehensive commercial building code course will be \$395. Please note that International Code Council Code books are not included in the course price.
